MEMORANDUM FOR: The Honorable Henry A. Kissinger
Assistant to the President
for National Security Affairs

SUBJECT: Submission of a National Intelligence
Program Memorandum

Under separate cover, I have forwarded to the President, through the Director, Office of Management and Budget, the attached National Intelligence Program Memorandum. This is in response to the President's instructions incorporated in his memorandum of 5 November 1971.

In view of the unusually sensitive contents, I would be grateful if you would give it limited distribution within your staff. In due course, I will be sending copies to the Under Secretary of State and the Deputy Secretary of Defense.
